1. SALE AND PURCHASE

- 1.1 In these terms and conditions of sale (hereinafter the “**Terms & Conditions**”), “**Seller**” shall mean **M.I.E. SERVICES LIMITED**; “**Buyer**” shall mean any natural person or corporate body making or accepting an offer or otherwise entering into a legal relationship with Seller whereby Seller supplies products (the “**Products**”) and/or services (the “**Services**”) to Buyer as they are described in Seller’s offer.
- 1.2 The Terms & Conditions shall be applicable exclusively to all offers (the “**Offer**”) and order acceptances and/or purchase orders (the “**Purchase Order**” or “**PO**”) by Seller for the sale and supply of Products and/or Services and the term “**Agreement**” herein shall apply to all such agreements based on these Terms & Conditions. An Agreement is effective the moment when Seller has accepted the order in writing, or, in the absence of an order acceptance, as soon as Seller has commenced execution of the order.
- 1.3 Any changes and/or modifications for the PO (such as changes in quantity, additions, deletions, changes in delivery times, etc.) will only be valid and binding if and in so far as these have been explicitly accepted by Seller in writing and may be subject to a revised quotation.
- 1.4 Upon the Buyer’s request the Company may provide cost estimates for the provision of Products or Services. These estimated costs shall not be binding unless expressly and officially stipulated in writing in the Offer by the Seller.
- 1.5 Where the Seller does not have the availability to offer the Services directly, the Seller shall sub-contract the Services to a qualified sub-contractor (the “**Sub-Contractor**”) to provide the Services for and on behalf of the Seller subject to these Terms & Conditions. The Warranties on the Products provided under these Terms & Conditions shall apply only if the Products are installed and/or fitted by the Seller or the Sub-Contractor appointed by the Seller or a qualified service provider approved by the Seller (collectively the Seller, the Sub-Contractor and the approved quality service provider referred to as the “**Approved Service Provider**”).
- 1.6 Deviations from, changes and/or supplements to these Terms & Conditions will only be valid and binding if and in so far as these have been explicitly accepted by Seller in writing (“**Deviated**”).
- 1.7 The general Terms and Conditions of the Buyer shall not apply, unless explicitly accepted by Seller in writing.

- 2.1 Subject to Clause 2.2, these Terms and Conditions together with the terms set out in the Purchase Order and invoice (the “**Invoice**”) shall apply to all contracts for the sale of Products or supply of Services by the Seller to the Buyer, to the exclusion of all other terms and conditions including any terms or conditions which the Buyer may purport to apply in any other document, and shall constitute the entire agreement between the Seller and the Buyer and supersede all prior discussions, agreements and terms, unless otherwise agreed in writing between the

Seller and the Buyer. In the event of an unequivocal conflict between these Terms and Conditions and the Purchase Order or a separate written framework agreement or other agreement between/among the Seller and the Buyer (the “**Framework Agreement**”), they shall prevail in the following order: (i) PO, (ii) Framework Agreement, (iii) the Specific Terms and Conditions, if any, and (iv) these Terms & Conditions.

The Seller shall not in such case be a party to that contract as between the Buyer and the third party and shall have no responsibility nor liability whatsoever in connection therewith nor performance thereof. The Seller shall always have the rights and limitations set out in these Terms and Conditions. Furthermore, in consideration of the Seller acting as an intermediary as set out above, the Buyer agrees to hold the Seller harmless and indemnify the Seller against all losses suffered in connection with the Seller so acting.

Purchase orders or other forms of written acceptance from Buyer shall constitute irrevocable offers once accepted by Seller per Subclause 1.2.
- 2.4 Seller may without need for Buyer’s consent introduce improvements and alterations to the Products and/or Services, provided that such improvements and alterations do not fundamentally change the ordered Products and/or Services in form, fit or function.
- 2.5 In entering into the Agreement, the Buyer has not relied upon any statements or representations made by the Seller. Representations made by employees of Seller or by third parties cannot be relied upon or invoked by Buyer unless these have been confirmed by Seller in writing.
- 2.6 Any provision in these Terms and Conditions which may be invalid or unenforceable shall to the extent of such invalidity or unenforceability be deemed severable and shall not affect any other provision(s) in these Terms and Conditions.
- 2.7 The Seller may assign, transfer or sub-contract any or all of its rights and obligations arising under, by reason of, or in connection with the Agreement without the Buyer’s consent. The Buyer shall not assign, transfer or sub-contract any or all of its rights and obligations arising under, by reason of, or in connection with the Agreement.
